“Titles for Jesus”

The Bible contains more than 100 titles for Jesus, such as “The Word” and “Prince of Peace”. This summer, Plymouth UCC is exploring one of those titles each Sunday. We will also have music by members of the congregation, pot lucks, offerings for St. Francis Food Pantry, and other special events. On Sunday, July 12 we will have a joint worship service with our sister church, Truax United Church of Christ, this year hosted at Plymouth.

Please join us for meaningful worship in a casual environment of fellowship and love.

We listen to the sounding of the larger church, but our authority comes from the voice of the living Christ as we understand it in our congregation. The Word of

God inspires us to be faithful—not to restrict us with doctrinal fences. We value the questions as well as the answers of faith.

A Bit of History

Established in Eau Claire in 1882, Plymouth has almost 125 years of service to this city. In 1995, the Holy Spirit led us to build a new church home at our present location. In 2007 we built our sanctuary and our meditation garden.

We are a congregation living out our mission in a new location, a new building, and in a new century. We are excited about the new ministries the Spirit has led us to, and for the many possibilities open to us, and invite you to join us on our journey.

Welcome to Plymouth!

If you are new to the faith or a longtime disciple, seeking answers or looking for better questions, been beaten up by the church or by life or are filled with joy you wish to express, seek an encounter with the Divine or a community in which you are loved no matter who you are or who you were, then I invite you to join us. I think you will quickly find, as I did when I first came here, that this church is first and foremost a community that expresses its love for God by loving each other and our neighbors.

The motto of the United Church of Christ is a prayer that Jesus prayed for his disciples, “That they may all be one.” We live into that hope at Plymouth United Church of Christ.

We are diverse in backgrounds and beliefs, but united as Christ’s body. We support one another through prayer, visitation, table fellowship, and other activities. We unite to worship our God through joyful, spirited, Bible-centered and child-friendly worship. We exercise our minds through adult and child Sunday School and Bible study. We live out Jesus’ command to love and serve our neighbors by supporting the St. Francis Food Pantry, Community Table, and Western Dairyland.

Whoever you are and wherever you are on life’s journey, you can be authentically you in a community of love and grace at Plymouth. I invite you to join us.

May the peace of God be with you,
Rev. David Huber, Pastor
